

Getting started made easy.

You have a high customer frequency at your location and want to offer your existing and new customers real added value?

You have a fleet of own bikes that you need to wash?

You shy away from a high initial investment?

Then cycleWASH payGO is the perfect solution!

The advantages:

- + No high start-up investments
- + Convenient monthly rent payments
- + Attractive additional income through participation in external washing revenues
- + Can be used for your own bicycle fleet with the cycleWASH Card
- + Customer loyalty & special offers using the cycleWASH Card

The pricing model:

You rent a cycleWASH bicycle washing system (e.g. a cycleWASH mini DUO or Pro) at a greatly reduced price. In return, CW Cleaning Solutions GmbH receives a commission for each washing process. We charge 20% for your in-house washes (using the cycleWASH Card) and 40% for washes by external customers.

As a partner, you will receive a discount of 10% for cycleWASH cleaning agents and care products.

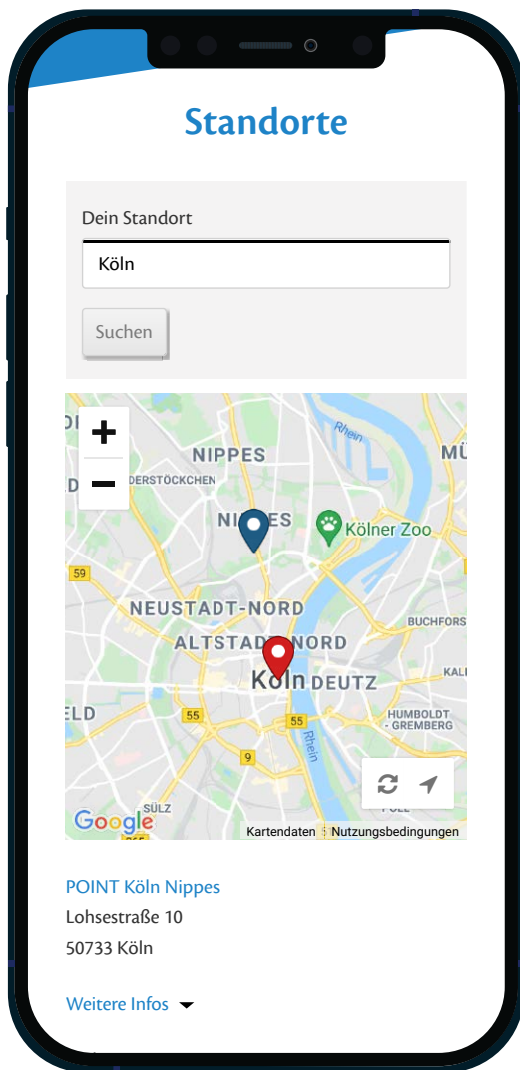

Billing and activation of the wash contactless using a cycleWASH customer card or directly by credit card.

mini DUO

payGO

To market your washing offer, your location is listed on our website and a separate sub-page with opening times and further information is generated or your own offer page can be linked.

Please contact us for an individual offer to operate a system with payGO at your location.

Cashless Payment System

to operate the system as a **self-service station** (cycleWASH Card, Apple Pay, Google Pay, NFC, Credit Card or via Mobile App)
